TOWN OF WEST HARTFORD

Leaf Disposal Voucher

For residential use only

Dear Resident,

This leaf disposal voucher will allow your contractor to dump leaves generated from your residential property free of charge at the Town of West Hartford Yard Waste and Recycling Center. Resident's using this voucher should only be charged for the cost of transporting their leaves for disposal and for the labor charges associated with cleaning their property.

This voucher is only valid for the property listed below. To use this voucher, please give this completed form to your contractor who will present it at the recycling center as proof that the leaves came from your property. A staff member from the Town of West Hartford or the Yard Waste and Recycling Center may contact you to verify the information.

Residents are reminded to keep leaves out of the roadway. Leaves in the road can become a traffic hazard, especially in windy or rainy weather, and can clog storm water drains and drainage areas causing flooding.
